

Golden Hour

Editorial and warm. Blush, cocoa and gold with large magazine headlines and numbered sections. The boldest of the three, made to stop the scroll.

Logo

Her existing mark stays as is. These rules keep it consistent everywhere.

Full lockup Profile picture, footer, packaging. Always on white or the lightest ground.	Monogram "EH" Favicons, highlight covers, post corners and small spaces under 120px wide.	Clear space Keep empty space around the logo at least the height of the "E" on every side.	Don't Stretch it, recolor the gold, add shadows, or place it on busy photos.
